Shaker Style Boards

AllCare BED®

- **Falls Risk** – Floor level (3.6" low height) with optional floor mat to address high risk resident falls
- **Bariatric Dignity** - Provide bariatric residents the same equipment (42" wide/600lb capacity) utilized throughout your facility
- **Custodial Care** – Enhance resident comfort (42" width) to take care of custodial residents.
- **Short Term Rehab** – Advanced features (OneButton Cardiac Chair positioning, trend/reverse trend), optional scale to manage higher acuity residents
- **Standardization** - Improve staff training as well as maintenance with ONE bedframe solution across your facility
- **Industry Leading Warranty** – Made in the USA with a best in class warranty (lifetime on the welds, 15 years on the frame, 5 years on the Linak motor/drive system)
- **NEW ENHANCEMENTS** - Clinical Contour reduces resident migration eliminating sliding down towards foot board, backlit pendant with lockouts for easier/safer use, optional underbed light and optional staff controls, shorter head and footboards (AllcareC)
